Papers: deadline & distribution

Participants are invited to present their work in small-scale and specialized discussion groups. We would like to receive your **paper**, consisting of 3000-5000 words, no later than **15 November 2016** at phdpolhis@gmail.com.

We will distribute the papers via email in the last week of November. In this way everybody will have enough time to read the papers of their session in advance. (Please keep your contact information up to date to receive the papers!)

During the workshop we ask you to give a **20 minute-presentation** of your paper. When you prepare your presentation, please be aware that participants in the session have read your paper already. Do not hesitate to use the workshop to put forward dilemmas, complications and (practical) difficulties you have in carrying out your research.
