Università di Napoli Federico II
Via Montesano, 49,
NAPOLI (ITALY)

July 22nd, 2016

Letter of Invitation

Dear Dr. **Tartaglione**,

the 2016 Edition of the "*Sino-Italian Symposium on Bioactive Natural Products*" will be held in Naples (Royal Museum of Mineralogy) on **24th-25th November, 2016**.

Further information on this meeting is available at the website:

<https://sites.google.com/site/sinoitalian2016/home>

On behalf of the Organizing Committee, it's a pleasure for me to invite you to attend this scientific meeting as **Invited Speaker**. We would be pleased if you could give an oral presentation of 30 min about your recent researches in the field of "toxins from marine microalgae".

Should you accept this invitation, we will be pleased to waive from the payment of the conference fees.

Looking forward to receiving your acceptance and to meeting you at the *Sino-Italian Symposium on Bioactive Natural Products*,

Yours sincerely,

Professor Orazio Tagliatela Scafati

On behalf of the Organizing Committee
